

Your Support Helps the Junior League of Gwinnett and North Fulton Counties Build Strong Girls with Bright Futures

The Junior League of Gwinnett and North Fulton Counties is dedicated to developing the potential of women through training, leadership opportunities and service while simultaneously making an impact in the community. JLGNF raises funds to support community projects and training of volunteers. Our program, “Strong Girls, Bright Futures” works to create awareness, education and empowerment for t’ween and teen girls, with an emphasis on girls in grades 5-8, regarding the value of intelligence, competence and education to assist the girls in making positive decisions. Visit www.JLGNF.org to learn more.
